

Daily, in his suit, said that the description fitted him, and that it libelled him. He said he never had done anything so awful, and if he had, it should not have been published in a novel anyhow.

The court held that even if all the statements were true, no libel had been shown, and there was no reason to believe that "Dailey" of the book, was "Daily, the mining man."

IN THE LIMELIGHT

His real name is Jonah Kuhio Kalaniala'oe, and his avowed aim in life is to represent Hawaii in congress. In Washington, he's "Prince Cupid," and his apparent aim is to make us like the Numb o Jumb o dance, an Americanized Hula Hula, said to be several degrees "naughtier" than the Turkey Trot or the Grizzly Bear. The Numb o Jumb o is a guaranteed anti-fat article. It will bring the stoutest society dame to sylph-like proportions and the divorce court about the same time so the American translators aver.

As soon as two nations at war get to the point where they can't afford to borrow any more money "the powers intervene."

Most of us understand compromise to mean giving the other fellow the best of it.
